## Roundtable Highlights

### Register Now: ACS NNRT Annual Meeting

Registration is now open for the 2025 ACS National Navigation Roundtable (ACS NNRT) Annual Meeting, and we would love for you to join us in Washington, DC, this fall.

This year's meeting, themed: *Innovative Persistence in Action: Supporting Sustainable Patient Navigation Across the Continuum* will convene leaders across to come together as a national membership to advance our shared AIM, strengthening patient navigation across the cancer continuum through strategic leadership, sustainable implementation, and collective action.

**Where:**

Grand Hyatt Washington  
1000 H St NW  
Washington, DC 20001

**When:**

Start: 8:30 AM, Thursday, September 18, 2025 (breakfast offered from 7:30 – 8:30 AM ET)

End: 12:30 PM, Friday, September 19, 2025 (boxed lunch)

**Suggested Travel:**

Arrive: Wednesday, September 18

Departure: Friday, September 19 after 2:30 pm (allows travel time to airport)

In 2025, we're also introducing a unique joint experience: Two of the American Cancer Society's National Roundtables—the ACS NNRT and the National Breast Cancer Roundtable (ACS NBCRT), will convene their separate annual meetings simultaneously at the same location. Each Roundtable will hold dedicated sessions tailored to their specific priorities, but we will also take advantage of the opportunity to create additional shared value through joint plenaries collaborative meals, and cross-cutting discussions that explore complex issues in the oncology ecosystem.

We've secured a discounted ACS NNRT room block for your convenience.

## Achievement

### American Cancer Society Names Colorado Cancer Screening Program: State Partner of the Year

Congratulations to ACS NNRT Chair, Andi Dwyer, MPH and ACS NNRT Members Elsa Staples, MPH, and Jo Henning, MPH on this well-deserved recognition from the American Cancer Society! our leadership in advancing cancer screening across Colorado, especially through innovative, equity-focused partnerships—continues to inspire and drive real impact. Bravo!

## Engagement Opportunities

### *"From Publication to Practice: Lessons in Building and Implementing Sustainable Patient Navigation Programs"*

Missed the live session on June 25, 2025? You can now watch the recorded webinar featuring lead authors of two foundational ACS National Navigation Roundtable publications on oncology patient navigation roles and job descriptions.

Panelists representing a health system, state agency, and nonprofit organization shared real-world insights on how they've applied these tools in practice—covering early engagement, implementation lessons, challenges encountered, and strategies for sustained success.

Whether you're building a navigation program from the ground up or strengthening an existing one, this discussion offers actionable takeaways to support long-term impact and program sustainability.

The American Cancer Society National Navigation Roundtable (ACS NNRT) was established in 2017. The ACS NNRT is a national coalition of member organizations dedicated to advancing high-quality cancer care for all through evidence-based patient navigation. The American Cancer Society provides organizational leadership and expert staff support to the ACS NNRT.
